

BRUSSELS DIMENSIONAL[®]

REF: Detail_Brussels Dimensional Stone_Raised Patio with Seat Wall_Vertical

RAISED PATIO - VERTICAL W/ SEAT WALL

Note:

Railings are required in most jurisdictions where the distance between the highest point and lowest point is greater than 24".

Consult a qualified professional engineer to determine site specific construction details.

Maximum height is typical and will vary from project to project depending on site conditions and load requirements. Geogrid placement, quantity and length may change.

This cross section is intended for preliminary design purposes only.
